Reference: November Monthly Report (10/1/03 - 10/31/03)

Dear Ms. Jones:

In response to the Commission's letter, dated January 21, 2004, we have electronically filed amended reports for the monthly report listed above.

Our original report mistakenly disclosed contributions to candidates for the 2002 Primary and General elections. This error was caused by our inadvertent failure to change the "election date" field within the software application used to prepare our reports. The "election date" field determines the election year disclosed on our report.

If you have any questions regarding our amended return, you may contact me at (415) 561-8500.

Sincerely,

Carol Beatty, Treasurer
American Academy of Ophthalmology Inc.
